A Word from Mr. Lee

This is the first time that I have been asked to write an article of this type. It does not seem too long ago since we met for the first time. By a strange coincidence when I was in Leaving Certificate year, I too had a change of principal.

My first year in Scoil Mhuire has passed extremely quickly. It took time to get to know all the Leaving Certificate students. However, I can truthfully say that I know you all well at this stage.

My memories of this year include the occasional funny incident, the odd shaved or coloured head and the normal array of lame excuses. I enjoyed the few soccer games and the trip to Limerick.

Like many things in life, time in secondary school cannot be fully appreciated until you have experienced other situations. I have always endeavoured to treat you as mature adults. I have not encountered too many problems, and even these can be put down to the hassles of young adulthood.

I hope that in the future, you will look back and feel you were valued as an individual. Valuing someone entails listening to his/her point of view, but it does not mean that it can always be accepted. Hopefully you will all have some happy memories of time in Scoil Mhuire. As to whether school days are the best days of your life, personally I am not too sure.

On your behalf, I would like to thank everyone who was involved in the production of this yearbook. In particular I want to mention the present fifth year L.C.V.P. class, Mr. Crotty and Ms. McCaul.

I will finish by thanking you for your support this year and by wishing you every success in the future. Our duty to you continues long after the Leaving Certificate and we are here if you need us.

Tony Lee
Principal.

A Word from Sr. Philomena

Dear Students,

You, the Leaving Certs of 2002 are about to leave Scoil Mhuire. I hope that you will recall some happy memories of the five or six years you spent with us. How quickly the time has gone by! Now you are ready to face the future. I wish you good luck in your Leaving Certificate exam and in whatever career you pursue later in life.

Sr. Philomena
Leaving Certificate Yearhead.
